I can meet anytime Wed morning as long as I am finished by a little before 11:30 mountain time. Why don't you all caucus and decide what works best for you. I'll be on travel today out of cell/email range.

I can do it, but earlier would be better.

Folks, I hate to do this, but would it be possible to push this a half hour earlier? I will have to turn to a pre-brief for a Congressional briefing at 11:30 mountain time, so it would work better if we could start at 10:30 mountain time. Does that pose scheduling issues for people?
